# INDUSTRY-READY ACCOUNTANTS PROGRAM

anUna  
academy

## About the Program

The Industry-ready Accountants Program is a comprehensive 12-month certification initiative designed for graduates in accounting and finance. It equips participants with both theoretical knowledge and practical skills, focusing on essential accounting tools, financial principles, and real-world case studies. Delivered by experts like Chartered Accountants, Company Secretaries, and Cost and Management Accountants, the program covers core subjects such as accounting, income tax, and GST. Emphasizing hands-on experience, it prepares participants to manage financial statements, payroll, taxation, and regulatory compliance while addressing the growing demand for skilled accountants in evolving financial sectors. This program molds adaptable, industry-ready professionals for today's dynamic business environments.

## AGENDA

- Computer and Digital Literacy
- Introduction to Accounting Principles
- Advanced Accounting and Payroll
- Taxation, GST, and Regulatory Compliance
- Practical Training / Apprenticeship

## ELIGIBILITY

The following shall be eligible to join the program:

- Recently qualified CMA, CS, ACCA, CMA (UK)
- Partly qualified CMA, CS, ACCA, CMA (UK)
