About ICTAK

Information and Communication Technology Academy of Kerala (ICTAK) is a social enterprise created by the Government of Kerala with the support of the Government of India and leading IT companies such as TCS, Sowparnika Education Infrastructure, IBS, UST, and QuEST. Formed in 2014 under a Public-Private Partnership model, the organization's primary objective is to equip the youth of Kerala with essential ICT skills, consequently enhancing their prospects for employment within the industry. ICTAK has an impressive track record, having trained over 100,000 students and 25,000 faculties so far.

Programs

The ICT Academy of Kerala offers diverse programs to empower students and professionals in their digital pursuits. These include Postgraduate Programs, Microskill Programs, and certifications in specialized fields like Cyber Security, Data Science, Machine Learning, Software Testing, Full Stack Development in MERN, MEAN and Java, SEO, Social Media Marketing, and Python Programming. Practical training and internships provide real-world exposure to excel in chosen fields. Please visit our website's 'Courses' section for more information.

Academic Membership

We are pleased to introduce ICTAK's Academic Membership Program, an initiative aimed at fostering collaboration and knowledge exchange between ICTAK and esteemed engineering, management, science institutions, polytechnic colleges, and ITIs across the state. Through this program, selected institutions will have the opportunity to join our vibrant community and benefit from a range of resources, networking opportunities, and professional development initiatives.

The selection process involves an online application form, through which interested colleges can express their interest in joining the program. Submissions will be carefully reviewed by the ICTAK administration office, and further interactions may be conducted with applying institutions to ensure a thorough understanding of their capabilities and goals.

Initially, selected institutions will be granted Regular Membership, and after one year, based on their active involvement in the program, they will be eligible for Premium Membership, opening up additional benefits and opportunities. We are excited to welcome institutions to be part of this program and look forward to supporting their academic endeavors without any financial commitment.

+91 99 951 64856 (Mr. Sajan M.)

+91 96 454 88316 (Mr. Sinjith S.)

Selection Criteria

The following key performance indicators of an institution are considered for Academic Membership.

- Student and faculty strength of the institution
- Computer lab capacity and availability
- Institution's accreditation and its current status

Key Benefits of Academic Membership

Students

- Free training on industrial skills with global leaders like Microsoft, MathWorks, Google, Salesforce and EY in IR 4.0 technology domain.
- Students from member institutions benefit from the learning enrichment programs like ICSET, Techathlon, and Student Top10.
- Students from our member colleges can enroll for Short-term Programs, Long-term Training, Microskill Programs, Addon Programs, and Internships organized by ICT Academy of Kerala at discounted fees.
- Students of Academic Membership Colleges gain exclusive access to placement assistance services offered by ICTAK.

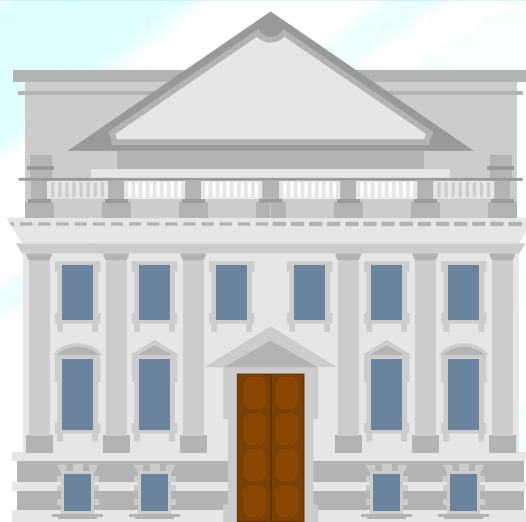

Faculty Members

- Access to Partner Curriculum.
- Faculty development programs from Salesforce, Google, and Microsoft.
- Industrial visit. Opportunity to see, interact, and experience industry innovations.
- Opportunity to publish their works in our international magazine.
- Special discounts for our paid FDPs.

Institutions

- Access to ICTAK corporate partner pre-programs and events.
- Support for educators on partner program curriculum delivery and integration.
- Employability Quotient Test (EQT) to all the students to know their industrial skills.
- Connection and support to virtual and on-campus events.
- Joint PR opportunities with ICT Academy of Kerala.

Premium Membership

Premium Membership is the coveted status awarded to institutions participating in ICTAK's Academic Membership Program after one year of active involvement. The status provides them with enhanced privileges and benefits and serves as a recognition of the institution's exceptional performance and dedication to their academic endeavors.

Selected institutions will be provided with a one-year membership and there will be no financial commitment for the membership.

Selection Criteria

The following criteria are considered for Premium Membership.

- The institution must be a regular member in the last academic year
- Total number of free and paid programs facilitated through the institution during the period
- Active involvement in events such as placement drives and competitions organized or promoted by ICTAK
- Participation in various partner programs promoted by ICTAK
